4. Public Comment: Maureen Giese felt the agreement between the Clerk/Treasurer and the City was an ambiguous statement referring to the one week of paid vacation given to the Clerk/Treasurer after serving four months of employment. The employee handbook states one week of vacation after one year of employment. Giese felt the City was setting a precedence, it was not fair and does not abide by State Statutes. The second point Giese talked about was the City's website, the Find Your Path Here logo instead of the City Seal which was adopted in 1978. She also commented on the minutes and the agendas that were missing from the website. She stated on the plus side, the Waterloo Comprehensive Plan is included and its mission statement.

5. Committees, Commissions, and Boards

- Public Works & Property Committee
 - Sidewalk Improvements on Anna Street from Lum Avenue to Monroe Street (South Side Only)

Springer stated the Public Works Committee recommended sidewalk be installed on Anna Street from Lum Ave to N. Monroe Street, the south side of the street only. It becomes a safety factor, with all the children walking that way to school and the Dollar General being built.
