To: dpw@waterloowi.us
Cc: bspringr@charter.net; Ziaja, Matt; Angie Stinnett; 'Waterloo City Hall'
Subject: Complaint/concerns / (1) use of chip sealing; (2) taking brush to compost site

Gary and Public Works Committee Members

Jill's Court property owner Chris Joseph (608-335-6401) stopped in Friday with the following:

(1) He want the City to note his safety complaint about using the chip sealing process for road maintenance. He shared first-hand knowledge of past incidents in Cottage Grove and Sun Prairie where small children on bikes where injured while riding on the chip seal. He said generally use of chip seal creates a safety hazard on roads which is avoidable, and that public safety should come first. He also said oil and chips are tracked on driveways and homes next to where the seal work was done.

(2) He was asking why he can't take his brush to the compost site. He would like to be able to finish his yard clean-up projects and not have to leave brush on site for DPW pickup.
