Dave,

Thanks for your call. Please see attached.

1. I understand Larry Waldo wishes to take limited steps on this CSM to accomplish his immediate objectives, that's OK. I understand a you mentioned a reservation of land, only, may meet his need to sell the three acres, skipping further land divisions. The City is not wed to any particular parcel creation configuration. Our objective is only to aid Larry in marketing his land.

2. IMPORTANT NOTE ON DEDICATION vs. RESERVATION – City Attorney Tim Fenner is saying the portion of the future road from where Commercial Avenue currently ends to Point (C) on the attached should be shown on the face of the CSM as being “dedicated to the City”. Acceptance of the CSM is then acceptance of title of that specific dedicated land. This is beneficial to all parties as it facilitates the development of the 3 acres without further paperwork, and also provides the option for a driveway west of this dedication if desirable at a later date. The remainder of a possible future road north of point (C) should be noted on the face of the map as “a future dedication to the City” as it proceeds north and bends east to intersect STH 19. The notation “future dedication to the City” on the face of the CSM does not result in a land transfer and can be undone, refined or modified as needed in the future.

Thank you for your work on this matter.
