Dear Local Business Owner,

Over the past year, heroin forums have been held in communities such as Waukesha, Jefferson, Hartland, Watertown and Franklin. Prompted by these efforts and the disturbing fact that heroin overdose deaths have **increased 880% since 2006**, with 281 heroin overdose deaths statewide in 2016, we decided to take a closer look at our own community.

We will be holding a Stairway to Heroin community event at **Waterloo High School on October 24, 2017 from 6:00-8:30 PM** which will be free and open to all community members 12 years of age and older. A resource fair will precede the event beginning at 6:00 PM. The Stairway to Heroin educational events have been very successful in neighboring communities so we are hoping to continue to offer these awareness, education and prevention opportunities in our community to help the fight against the growing opiate epidemic.

We are seeking potential sponsors for this program to help defer the costs associated with speaker fees, advertising costs and other planning-related expenses. We are hoping City of Waterloo will consider contributing to our efforts. As a sponsor, your logo will be included on all advertising materials and will also be included in the evening's program. In addition, we are happy to provide you with a receipt of your tax-deductible donation. Sponsorship checks can be made payable to Your Choice to Live, Inc. and sent to 138 North Avenue, Hartland, WI 53029. Your Choice to Live, Inc. is a non-profit 501(c)(3) organization specializing in alcohol and drug prevention education. Please feel free to contact Sandi Lybert at (262) 367-9901 with any questions or visit <http://www.yourchoice-live.org> for more information. Thank you for your continued support of educational opportunities for students and families in our community.

Sincerely,

Dr. Shannon Karcher
