

ADDENDUM NO. 2
SOUTH MONROE STREET FLOODPLAIN IMPROVEMENTS
CDBG-EAP #08-63
CITY OF WATERLOO, WISCONSIN

This addendum, dated Thursday, February 2, 2012, is being sent to supplement the Contract Documents for the South Monroe Street Floodplain Improvements project. This addendum shall become part of the Contract Documents. Information provided in this addendum shall be used for preparation of bids. *Please acknowledge receipt of the addendum as provided on the bid form.*

Addendum No. 2 contains the following documents and information to be made part of the Contract Documents:

1. Bid Form - Add Item #74: Bollards, Removable (see new attached bid form). This item includes all of the preparation, materials and labor necessary to supply and install removable bollards in accordance with the construction plans and details. Removable bollards as proposed to be located on the plans, shall be placed immediately behind the curb and installed in such a manner as to ensure that there is no part of the bollard support exposed above the ground surface once the bollard itself is removed. If a bollard shall fall within a paved area, the contractor shall install bollard supports prior to installing the pavement or shall core through the new pavement to install the support at their own expense. This item shall be paid on a per each basis.
2. Bid Form - Revise Bid Item #2 - Water Valves w/Valve Boxes. The actual plan quantity is (2) Each
3. Clarify Standard Specification 055213 - Railings: Add to Materials section to allow for the use of aluminum as a suitable alternative to stainless steel. A Hand Rail only need to be installed on one side of the stairs, not both sides.

The contractor shall use the attached bid form for the submittal of their bid. All previous bid forms should be discarded.
