To: Mayor Thompson, Parks Commission and City Council

RE: Firemen's Park Operations Agreement

We have read and discussed the proposed changes to our operating agreement for Firemen's Park. We are okay with the changes and will be happy to sign it once we are provided an official written list and/or description of what would cause the 90 day notice to be given.

Until we have this we feel that it would be unfair and non-practical for us to agree to a blind condition such as that.

Also, we need to know what the City's plans are (in writing) on renters that have booked through us if the 90 day notice was to be given. Without this we can't continue to rent the facilities in the fashion that we currently do.

Lastly, until this agreement is signed we can't continue planning the 4<sup>th</sup> of July celebration for next year. Time is of the essence on this as musical acts and other attractions do book early and we are already getting behind.

Respectfully Submitted

Service Director  
WATERLOO, CITY OF  
136 N MONROE ST  
WATERLOO, WI 53594

Dear Service Director,

It is our pleasure to forward to you the enclosed check based on your ambulance service's EMS Funding Assistance Program application for state fiscal year (SFY) 2015.

To align with Wisconsin Statute 256.12(4) and (5), we are identifying the two separate amounts for your service. The first amount is for Wisconsin Statute 256.12 (4) and includes the base amount of \$3,588 plus 3 cents per capita (\$.03). Your ambulance service may use these improvement funds for the purchase of ambulance vehicles, vehicle equipment and emergency medical service supplies and equipment not in your annual budget.

The second amount is for Wisconsin Statute 256.12 (5) and is distributed under the current formula of one-third EMTs on the roster, one-third per capita, and one-third call volume. This allotment is to be used only for EMT-Basic expenses related to initial and refresher training as well as examination costs.

<b>Aids and training per §.256.12 (4)</b>	<b>Amount:</b>	<b>\$ 3730.59</b>
<b>EMT-Basic training costs per §256.12 (5)</b>	<b>Amount:</b>	<b>\$ 699.29</b>

Please remember that EMS-FAP dollars cannot be used to reduce existing local EMS funding or supplant allocations in your budget. The next expenditure report will be split into two sections to better track how each of the allocations is being spent.

As a reminder, all future EMS-FAP application processes will be handled electronically through E-Licensing. The notice will be emailed to the designated service director at the address in his/her E-Licensing account.

Any questions about the EMS Funding Assistance Program should be directed to Paul Wittkamp, Wisconsin EMS Section, P.O. Box 2659, Madison, WI 53701-2659, by email to Paul.Wittkamp@dhs.wisconsin.gov or by phone at (608) 261-9306.
