- A. Intent. It is the intent of this section to provide a means to accommodate a small home-based business without the necessity of a rezoning the land area from an R-1, R1-A, or R-2 District to a commercial district. Home occupations are economic activities permitted within any single-family detached residence which comply with the following requirements. Examples include the provision of personal and professional services. Once a home occupation has been approved, it may not be expanded or enlarged.
- B. Requirements. In

 - (5) Only one sign may be used to indicate the type of home occupation. Such sign shall not be illuminated and shall not exceed three square feet.
 - (6) The home occupation shall not involve the use of commercial vehicles for more than occasional delivery of materials to or from the premises.
 - (7) Authorized home occupations are restricted to service-oriented businesses and the mass production of items or products or the sale of items or products on the premises is prohibited. Examples of service-oriented businesses include, but are not limited to, computer programming, accounting, law, insurance agencies and computer-based consulting and clerical services.
 - (8) Authorized home occupations shall not occupy more than 30% of the floor area of the dwelling in question.
 - (9) Persons employed in home occupations shall be limited to the resident, immediate family members, and no more than one nonresident employee.
 - (10) Under no circumstances shall a motor vehicle repair or body work business qualify as an authorized home occupation.
 - (11) No animals shall be involved in any authorized home occupation.
 - (12) Home day care is an authorized home occupation so long as it does not involve more than seven children or require state licensing.
- C. Conditional uses. Any proposed home occupation which does not satisfy the criteria established in Subsection B above may be authorized by the Plan Commission as a conditional use, subject to the requirements of § 385-21 and the following:
- (1) The extent of the equipment or machinery used in the home occupation may be restricted by the Plan Commission.
