STATE of WISCONSIN

OFFICE of the GOVERNOR

Proclamation

WHEREAS, removing snow and ice during the winter months from more than 100,000 miles of highways and streets in Wisconsin is a critical task performed primarily by municipal and county highway departments; and

WHEREAS, Wisconsin depends upon approximately 2,000 to 3,000 snowplow drivers, who work long hours under adverse weather conditions, to help ensure that the rest of us can travel to our jobs, farms, schools, retail stores, medical services, and recreational destinations; and

WHEREAS, before, during, and after winter storms, Wisconsin's snowplow drivers use their years of knowledge and skill in a determined effort to make roadways safer for all motorists as well as maintain the steady flow of goods and services to support our state's businesses and industries;

NOW, THEREFORE, I, Scott Walker, Governor of the State of Wisconsin, do hereby proclaim Thursday, November 20, 2014, as

SNOWPLOW DRIVER APPRECIATION DAY

throughout the State of Wisconsin and urge all of our citizens to acknowledge and appreciate the valuable service performed by snowplow drivers, to exercise caution whenever encountering snowplows upon our roadways, and to limit non-essential driving during periods of severe winter weather conditions to allow snowplow drivers to clear our streets and highways as quickly and efficiently as possible.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Wisconsin to be affixed. Done at the Capitol in the City of Madison this 5th day of November 2014.

SCOTT WALKER
GOVERNOR

WATERLOO FIRE & RESCUE
900 INDUSTRIAL LANE
WATERLOO, WISCONSIN 53594

Monday November 3rd, 2014

On Monday October 13th, 2014 we had a combined training for EMS & Fire personnel. This time of year we usually train together for a hunter rescue, but due to the weather we could not complete this training. We trained on a couple of scenarios on Mass Casualty Incident. The first scenario was a bomb that went off at trek with multiple victims and a fire. With this training we have to work with many different departments (police, water & light, fire, EMS, and many more). We have to set up an area where we can take the wounded and assess all of the patients so they get treated appropriately and timely. When the EMS is working with the patients the fire has to size up the scene, and determine how to manage or extinguish the fire. The second scenario was a public school shooting. With this scenario fire personnel will be assisting EMS personnel. Again our department will be working with many other departments. The school does have a plan in service if this would ever happen. Our job is to work with the school and police department to complete this MCI so we can properly manage and care for the injured. We also had a Dodge county sheriff's officer come and complete some training with us. This was to see what they have planned and what to do in these situations.

On Monday October 20th, 2014 we had a monthly meeting. Since we combined our training we had a combined meeting. With this meeting we also had a budget meeting with our townships.

With these monthly trainings here at the station we are also implementing online training. The members have to complete one for each job they do with the fire department. For instance, if the member is an EMT, firefighter and a driver, they must complete 3 more trainings a month. Each of the trainings is approximately 1 to 2 hours long and they must pass a test to complete the training.

Sincerely,

Chief Vern Butzine
