Ladies and Gentlemen:

This letter follows the letter we sent to you on October 9th. That letter requested an incorrect zoning change. This letter makes a correct request.

We request a rezoning and architectural review by the City of Waterloo for the proposed Monroe Street Apartments to be located at 217 N. Monroe Street. We are requesting that the zoning be changed from C-1 to R-2, Single Family Residential District. We are also requesting approval and issuance of a Conditional Use Permit that will allow us to construct a multifamily building on the site.

Accompanying this letter please find an Application for Conditional Use Permit, complete except for a few pieces of information that we understand the City already has. Enclosed with the mailed copy of this letter please find a \$285.00 check from Movin' Out to pay the fee for the Conditional Use Permit.

At the end of the Application, it states that two attachments are required. The first is a list of adjoining owners. My understanding is that David Porterfield, of our staff, spoke with Lois Baird today and she stated that the City already has this information and so we need not submit it with the Application. The second required attachment is a Site Plan, which our architect, Jim Glueck, already submitted to the City.

The proposed project involves the redevelopment of the former Perry Printing parking lot into a twenty-four unit multifamily rental apartment community. Movin' Out, Inc. and Mirus Partners, Inc. will serve as joint development partners and owners of the project.
