Safety Committee

136 N. Monroe St.

Waterloo, WI. 53594

TO Whom It May Concern,

The Waterloo Fire and Rescue is a part of a fundraising motorcycle ride that will run through Waterloo on July 25th 2015. The riders will be entering the city just before 12:30pm and will leave the city shortly after 1:30pm. The riders will have an hour stop at Waterloo Firemen's Park. In that time the riders will be parking on the road in the park, using the restrooms and having lunch. We are requesting that the Safety Committee give the Waterloo Fire and Rescue the ability to close the road in Firemen's Park (Dickenson St. to Hendricks St.) from 12:00pm to 2:00pm. This will let us have the time to insure the estimated 400 rider's safety. If the riders can park on the road it is safer for them then park on the grass or the parking spots in the park.

We are willing to come and answer any questions you may have. At this time the route that the motorcycles will be taking to get to Fireman's Park is to be determined.

Thank You,
1st Lt. Kurt Dornacker

We would also like to know if we can have dogs, as long as they are on leashes, stay at the camp.

What can we do with the horses we would like to have? Can they stay in small paddocks (connected to the horse trailers? (10x10' or smaller paddocks?) The owners will take care of the droppings.

We also would like to have the Animal Rescue from Marshall bring her animals. They will be in cages. Anything against that? Nobody will be out there for three days. Who is in charge of the

Trail head building?

We are planning to have Blackpowder guns. Blank loads. We will let the Police know.

Thank-You -
