RE: September Update

CDA Board,

•

•

I have partook in many key meetings and work over the past month, including:

- Jefferson County Economic Development Consortium
 - \circ Monthly JCEDC Board meeting ightarrow Vice Chair
 - o ThriveED Executive Committee
- 333 Portland Rd.
 - 2 Potential Projects
- Project Forward
 - o Update
 - Dempsey Property
 - DA Update
- Clockify
 - o Time track
- Downtown Action Plan
 - o BID Proposal
 - Addit. Funds?
- 1 BRE Visit

Please let me know if there are any additional areas of focus you would like me to start on.

Everett Butzine Owner/Managing Member Non-Metro Connections

Re: Downtown Business Improvement District Creation

Dear CDA:

Non-metro Connections is interested in submitting a proposal for Downtown Business Improvement District (BID) creation for the City of Waterloo, and as such, is submitting the following for your consideration.

1. Business Improvement District Information

A Business Improvement District (BID) offers several benefits to the local community and businesses within its boundaries. BIDs are special districts established to promote economic development, enhance the physical environment, and improve the overall quality of life in a specific commercial or business area. Here are some of the key benefits of a BID:

1. Economic Development: BIDs play a crucial role in stimulating economic growth within a designated area. They can attract new businesses, encourage business expansion, and increase property values, which can lead to higher tax revenues for the local government.

2. Enhanced Services: BIDs typically provide additional services beyond what the municipality offers, such as cleaning, landscaping, and maintenance of public spaces. These improvements make the area more attractive to businesses, residents, and visitors.

3. Marketing and Promotion: BIDs often engage in marketing and promotional activities to attract customers and visitors to the district. They may organize events, festivals, and advertising campaigns to increase foot traffic and sales for local businesses.

4. Safety and Security: BIDs may invest in enhanced security measures, such as increased lighting and surveillance, to make the area safer for businesses and patrons. This can reduce crime and vandalism, further enhancing the district's appeal.

5. Community Building: BIDs can foster a sense of community within the district by bringing businesses and residents together through events, networking opportunities, and collaborative initiatives.

6. Infrastructure Improvements: BIDs may fund infrastructure upgrades, such as street improvements, sidewalk repairs, and public art installations, to create an attractive and welcoming environment.

7. Voice for Businesses: BIDs often provide a platform for businesses to collectively voice their concerns and needs to local government authorities. This can lead to more responsive and business-friendly policies and regulations.

8. Increased Property Values: As a BID invests in the district's physical environment and amenities, property values in the area may rise, benefiting property owners and potentially increasing their return on investment.

9. Tourism and Destination Development: BIDs can contribute to the growth of tourism by creating a vibrant and appealing district that attracts visitors, leading to increased revenue for businesses and the community.

10. Sustainability Initiatives: Some BIDs incorporate sustainability practices into their operations, which can have positive environmental and economic impacts.

It's important to note that the specific benefits of a BID can vary depending on its goals, funding mechanisms, and the needs of the local community. BIDs are typically funded through assessments on property owners within the district or other revenue sources, allowing them to tailor their activities to address the unique challenges and opportunities of their area.

2. Scope of Work

- 1. BID Formation Plan: Create a comprehensive plan to create a BID in Waterloo. This includes identifying stakeholders, financial analysis, BID boundary, and creating a work plan for the BID.
- 2. BID Formation: Develop and implement a strategic plan to establish the BID, including legal and governance structure, boundaries, and assessments.
- 3. BID Formation Assessment Methodology:
 - a. A boundary description (The proposed BID must be contiguous).
 - b. Evidence that the area complies with local zoning regulations (areas zoned primarily as residential cannot be included).
 - c. An <u>owner</u> of real property used for commercial purposes and located in the proposed BID has petitioned the municipality for creation of a BID
 - d. The Planning Commission has designated a proposed business improvement district and adopted its proposed initial operating plan
 - e. Hold public hearing at least 30 days before the creation of the BID and adoption of the initial operating plan, published as a class 2 notice
 - f. Before publication, send notice by certified mail to all owners of real property within the proposed BID indicating
 - i. Boundaries of the proposed BID
 - ii. A copy of proposed operating plan
 - iii. Detailed map showing the proposed BID boundaries
 - g. Within 30 days following the hearing no protests from
 - i. Owners representing >40% of valuation of BID, based on Operating Plan specified valuation method, or
