ORDINANCE #2025-16
Update §200-1 Fire Inspectors

The Common Council of the City of Waterloo, Wisconsin do ordain as follows:

Section 1: §200-1 Fire Inspectors

- A. Fire Chief to be Fire Inspector. The Fire Chief shall hold the office of Fire Inspector with power to appoint one or more Deputy Fire Inspectors, who shall perform the same duties and have the same powers as the Fire Inspector.
- B. Inspection duties. The Fire Inspectors shall inspect, semiannually, all public buildings and places of employment, as defined in § 101.01(11), Wis. Stats., within the City limits for the purpose of noting and causing to be corrected any conditions liable to cause fires. Repairs or alterations necessary to remove the hazardous condition shall be made within a reasonable time at the expense of the owner. The Inspector shall also investigate the storage and handling of explosives and inflammable liquids within the City.
- C. Procedure. Fire inspection procedures and forms shall be developed in accordance with § 101.14, Wis. Stats., and applicable codes of the National Fire Prevention Association.
- D. Written record of inspections. The Chief shall keep a written record card of each property inspected which shall conform to the requirements of the State Department of Commerce and shall make the semiannual report of inspections required by said Department.
- E. Correction of fire hazards. When any inspection by the Fire Chief or his deputies reveals a fire hazard, the Chief or his deputies may serve a notice, in writing, upon the owner of the property giving said owner a reasonable time in which to remove the hazard. If the fire hazard is not removed within the time allowed it shall be deemed a nuisance, and the Fire Chief or his deputy may have the same removed by the City, and the cost of such removal shall be recovered in an action by the City against the owner of the property and may also be entered on the tax roll as a special charge against the property.
- F. Entering on premises. No person shall deny the Fire Inspector or his deputies free access to any property within the City at any reasonable time for the purpose of making fire inspections. No person shall hinder or obstruct the Fire Inspector in the performance of his duty or refuse to observe any lawful direction given by him.
- G. No fee shall be charged for the reinspection if the property owner brings the property into compliance. A fee of \$100.00 may be charged for a second reinspection, a fee of \$200.00 for a third reinspection and a fee of \$400.00 for each subsequent reinspection for the same condition. A reinspection fee may also be charged when a city staff member, employee, or officer finds a condition that is similar to a condition which was subject to a correction order within one (1) year prior to the inspection. Reinspection fees shall be charged against the real estate upon which the reinspection was made, shall be a lien upon the real estate and shall be assessed and collected as a special charge.

(1) A \$50.00 fee may be charged for any inspection or reinspection when a contractor or property

owner requests an inspection for permit-related work and the work is not ready at the time of the requested inspection. Failure to pay reinspection fees after notice of the fee may result in withholding future permits.

- (2) Any property owner or lessor receiving a fourth offense reinspection fee, for the same violation, may have the payment of the fee waived if the party or his or her representative personally meets with the Director of Planning and Development, or designee, within seven (7) days of receipt of the notice of the fee imposition. At the meeting, the Director of Planning and Development or designee and owner shall review the problems occurring at the property. Within ten (10) days of the meeting, the owner shall submit to the Director of Planning and Development, or designee, a detailed written abatement

Section 2: This ordinance shall take effect and be in force after its passage and publication in a manner provided by law.

ORDINANCE #2025-15

A New Ordinance 261-8.5 Regulation of Natural Lawns

The Common Council of the City of Waterloo, Wisconsin do ordain as follows:

Section 1: §261-8.5 Regulation of Natural Lawns

- A. Natural lawns defined. "Natural lawn," as used in this section, shall include common species of grass and wild flowers native to North America which are designed and purposely cultivated to exceed eight inches in height from the ground. Specifically excluded in natural lawns are the noxious grasses and weeds identified in this chapter. The growth of a natural lawn in excess of eight inches in height from the ground surface shall be prohibited within the City corporate limits unless a natural lawn management plan is approved and a permit is issued by the City as set forth in this section. Natural lawns shall not contain litter or debris and shall not harbor undesirable wildlife.
- B. **License fee. The license fee for a Natural Lawn shall be as stated in the City of Waterloo Fee Schedule.**
- C. "Natural landscape management plan" as used in this article shall mean a written plan relating to the management and maintenance of a landscape which meets the following requirements:
- (1) Proposed natural landscape is being requested.
 - (2) A statement of intent and purpose for the landscape.
 - (3) A detailed description of the types of plants and plant succession involved.
 - (4) Specific management and maintenance techniques to be employed.
 - (5) Proposed landscaping is to be confined to property owned by the applicant according to current City Assessor's records.
 - (6) Natural landscaping on any City-owned property within any street right-of-way is strictly prohibited. This shall include the property between the sidewalk and street and not less than 10 feet adjacent to the street where there is no sidewalk.
 - (7) Natural landscapes shall not be permitted within three feet of the abutting property unless waived in writing by the abutting property owner on the side or sides affected. Such waiver shall be affixed to the landscape management plan. Any subsequent property owner who abuts an approved natural lawn may revoke the waiver, thereby requiring the owner of the natural lawn to remove the natural lawn within 30 days. **Natural lawns must be 3ft from any sidewalk or 10ft from street if there is no sidewalk.**
 - (8) The property owner shall submit to the Public Works Director a drawing, plot plan and/or survey which will show the location of the natural landscape area on the applicant's property.
 - (9) In addition to those identified in Chapter 261, Nuisances, the following noxious grasses or weeds will

not be allowed in a natural landscape area:

Common Name(s)

Buckthorn

Burdock (Yellowdock)

Field Bindweed (Wild Morning Glory)

- D. Property owners who currently have natural landscapes must file an application for a permit on forms provided by the City Clerk, pay the application fee set forth in the City fee schedule and submit a plan as to be covered by this article.
- E. Natural landscapes may constitute a fire or safety hazard, due to weather conditions or other conditions. The Public Works Weed Commissioner may order natural landscapes cut due to such conditions. As a condition of receiving approval of the natural landscape permit, the property owner shall be required to cut the natural landscape within three days upon receiving a written letter from the City of Waterloo's Weed Commissioner.
- F. Natural lawns shall not be removed through the process of burning unless stated and approved as one of the management and maintenance techniques in the lawn management plan. The Fire Chief shall review all requests to burn natural lawns and shall determine if circumstances are correct and all applicable requirements have been fulfilled to ensure public safety. Burning of natural lawns shall be strictly prohibited unless a written permit to burn is issued by the Fire Chief. The Fire Chief shall establish a written list of requirements for considering each request to burn natural lawns, thereby ensuring the public safety. In addition, the property owner requesting permission to burn the natural lawn shall produce evidence of property damage and liability insurance identifying the City as a third-party insured. A minimum amount of acceptable insurance shall be \$300,000.
- G. Revocation of an approved natural lawn permit. The Weed Commissioner shall have the authority to revoke an approved natural lawn permit if the owner fails to maintain the natural lawn or comply with the provisions set forth in this section. Notice of intent to revoke an approved natural lawn permit shall be appealable to the Common Council. All applications for appeal shall be submitted within 15 calendar days of receipt of the written notice of intent to revoke the approved natural lawn management plan. Failure to file an application for appeal within the 15 calendar days shall result in the revoking of the natural lawn management plan permit. All written applications for appeal filed within the fifteen-calendar-day requirement shall be reviewed by the Common Council in an open meeting. The decision rendered by the Common Council shall be final and binding.
- H. Public nuisance defined; abatement after notice.
- (1) The growth of a natural lawn, as defined in this section, shall be considered a public nuisance unless a natural lawn management plan has been filed and approved and a permit is issued by the City as set forth in this section. Violators shall be served with a notice of public nuisance by certified mail to the last-known mailing address of the property owner.
 - (2) If the person so served with a notice of public nuisance violation does not abate the nuisance within 10 days, the enforcement officer may proceed to abate such nuisance, keeping an account of the expense of the abatement, and such expense shall be charged to and paid by such property owner. Notice of the bill for abatement of the public nuisance shall be mailed to the owner of the premises and shall be payable within 10 calendar days from receipt thereof. Within 60 days after such costs and expenses are incurred and remain unpaid, the City Clerk shall enter those charges onto the tax roll as a special tax as provided by state statute.
 - (3) The failure of the City Clerk to record such claim or to mail such notice or the failure of the owner to receive such notice shall not affect the right to place the City expense on the tax rolls for unpaid bills for abating the public nuisance as provided for in this section.
- I. Penalty.
- (1) Any person, firm or corporation which does not abate the nuisance within the required time period or who otherwise violates the provisions of this section shall be subject to the general penalty found in § 1-4 of the Code.

- (2) In addition to any penalties herein provided, the City may issue stop-work orders upon owners of lots where work is unfinished under a previously issued building permit for any violation of this section.

Section 2: This ordinance shall take effect and be in force after its passage and publication in a manner provided by law.

Acted on and adopted at a result meeting of the Common Council on December 4, 2025.
